A stylized, minimalist line drawing of a woman's face in profile, facing right. The drawing is composed of thick black outlines on a white background. The woman has her eyes closed and a slight smile. The word "IACES" is written in a bold, red, sans-serif font across the middle of her face. The entire graphic is set against a background that is white in the center and transitions to a solid orange color on the left and bottom edges, separated by a thin blue line.
